

CYFAR Year-End Reporting System for SCP Grantees

Sponsored by 4-H National Headquarters, National Institute of Food and Agriculture (NIFA) of the United States Department of Agriculture (USDA) in partnership with the University of Arizona

Purpose

- Provides year-end report to USDA on your project status and progress towards outcomes
- All projects are required to complete an annual narrative report
- Due mid-November
- Reviewed by liaison and USDA
- Provides public view of project information when completed

Sponsored by 4-H National Headquarters, National Institute of Food and Agriculture (NIFA) of the United States Department of Agriculture (USDA) in partnership with the University of Arizona

Notification

- State LGU Project Director will receive email notification when the system is opened for reporting
- System can only be accessed during the reporting period
- Once reports are completed and approved, they cannot be modified

Sponsored by 4-H National Headquarters, National Institute of Food and Agriculture (NIFA) of the United States Department of Agriculture (USDA) in partnership with the University of Arizona

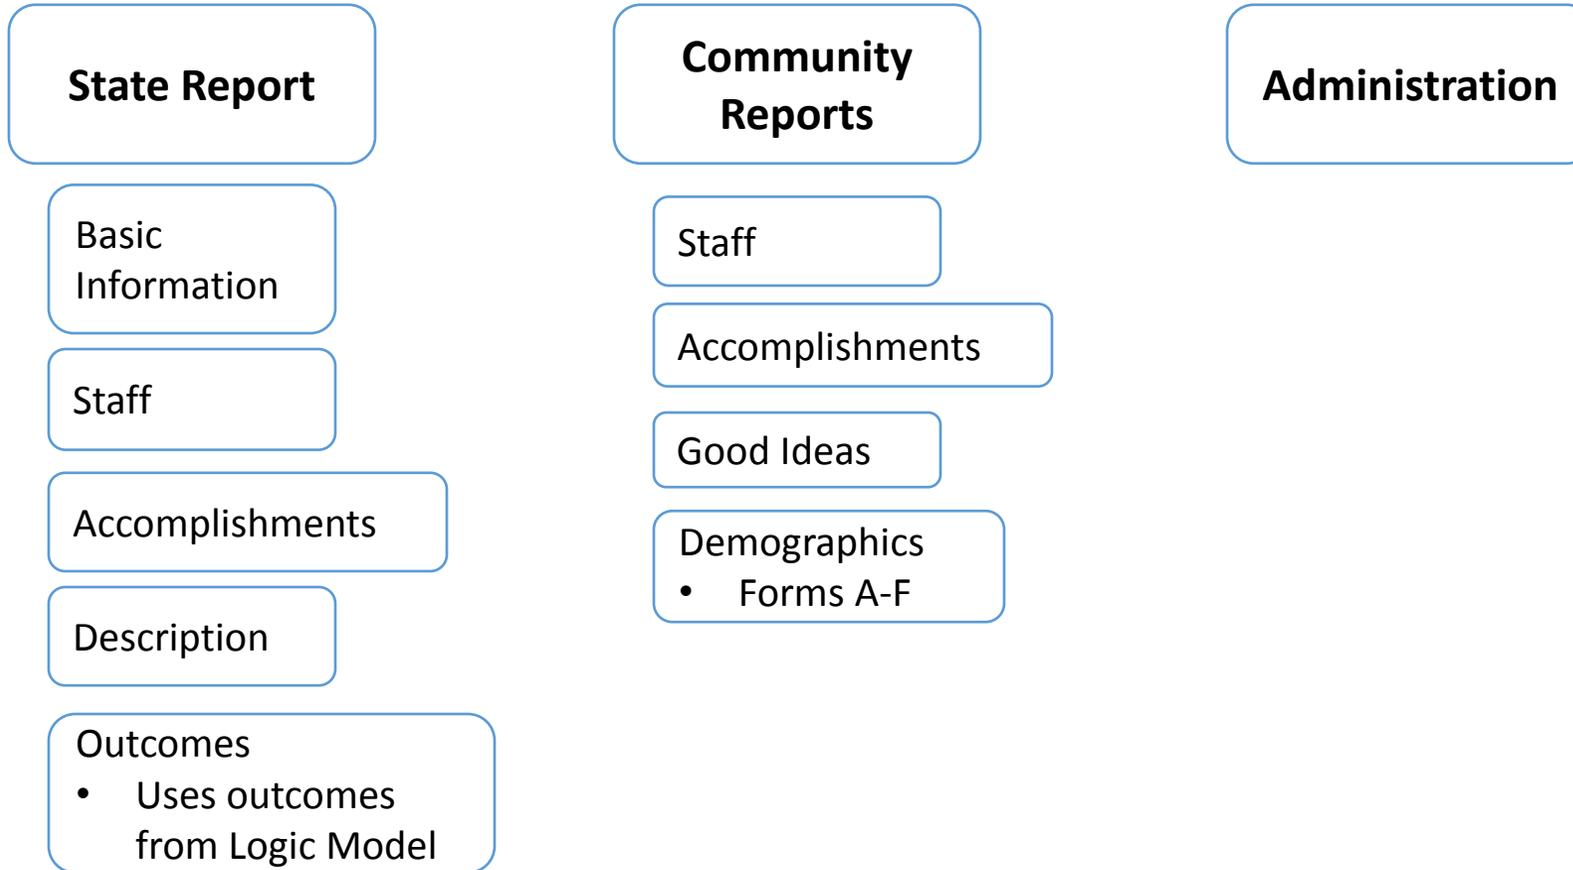

Access

- PD will receive email with login and password
- Only one person may have access at the LGU level - PD is the only one with access (they may choose to transfer access to a project coordinator)
- Community Directors designated by the PD will have access to the report section for their community project only

Sponsored by 4-H National Headquarters, National Institute of Food and Agriculture (NIFA) of the United States Department of Agriculture (USDA) in partnership with the University of Arizona

Completing a State Report

Reporting Year: 2007

Administration

Select a State: All

Location	Project Title	Report	Status	Edit
Alabama	Begin Education Early and Healthy: Strengthening Rural Alabama Families	State Narrative	Data Incomplete	edit
Macon County	New Communities BEE Project of Macon County	Community Narrative	Data Incomplete	edit
Macon County	New Communities BEE Project of Macon County	Community Demographic	Not Started	edit
Perry County	New Communities BEE Project of Perry County	Community Narrative	Not Started	edit
Perry County	New Communities BEE Project of Perry County	Community Demographic	Not Started	edit
Wilcox County	New Communities BEE Project of Wilcox County	Community Narrative	Not Started	edit
Wilcox County	New Communities BEE Project of Wilcox County	Community Demographic	Not Started	edit
Alaska	Community Collaboration for Children, Youth & Families of Alaska's Military Services	State Narrative	Data Incomplete	edit
Eielson AFB	Youth Collaboration Project	Community Narrative	Not Started	edit
Eielson AFB	Youth Collaboration Project	Community Demographic	Not Started	edit
Elmendorf Air Force Base	Community Collaboration for Children, Youth & Families of Alaska's Military Services	Community Narrative	Not Started	edit

The opening screen shows your state report section and the community narrative and community demographic report sections for each of your community sites.

Basic Information

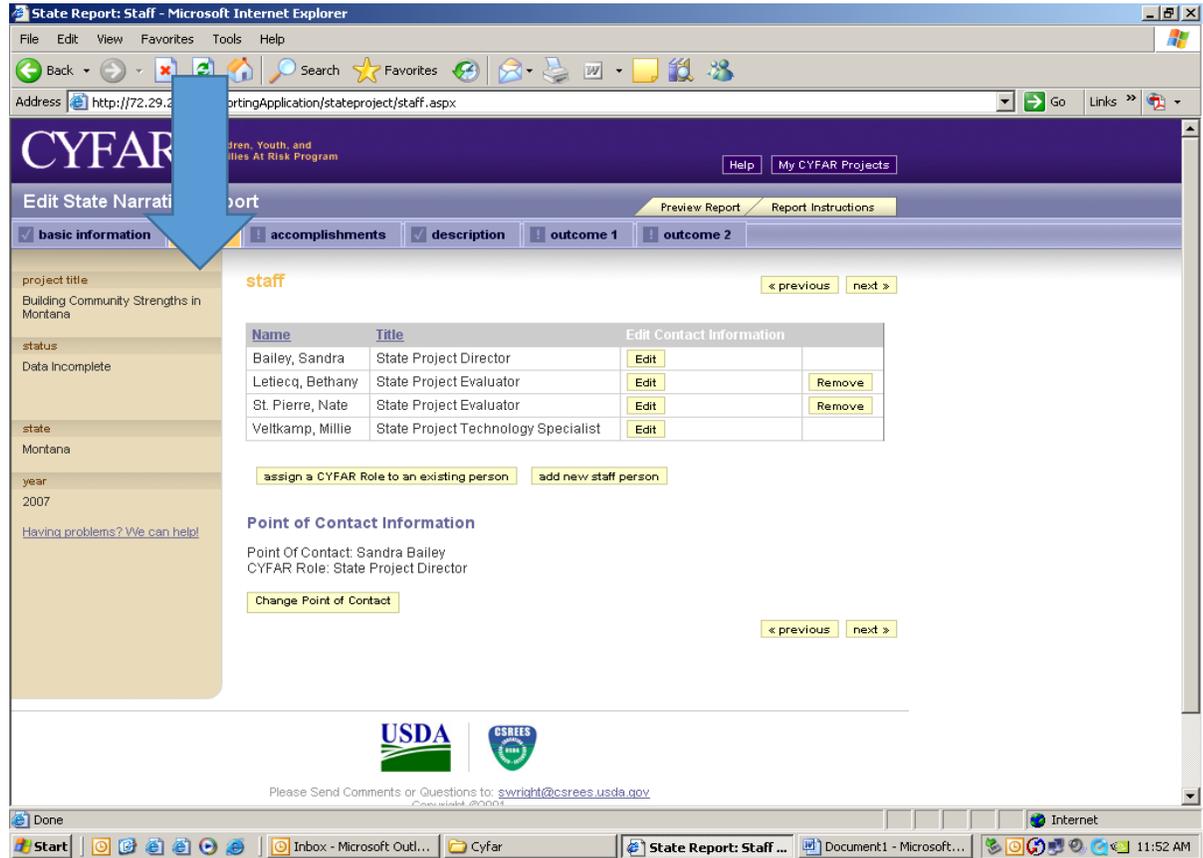

The screenshot shows a web browser window titled "State Report: Basic Information - Microsoft Internet Explorer". The address bar shows the URL: <http://72.29.23.35/ReportingApplication/stateproject/basicinformation.aspx?project=1418>. The page header features the CYFAR logo and the text "Children, Youth, and Families At Risk Program". Below the header, there are navigation tabs: "basic information", "staff", "accomplishments", "description", "outcome 1", and "outcome 2". The "basic information" tab is selected. The form contains the following fields:

- project title:** Building Community Strengths in Montana
- status:** Data Incomplete
- state:** Montana
- year:** 2007
- Project Title*:** Building Community Strengths in Montana
- Web Site*:** http://www.montana.edu/wwwhd/ncp_grant/index.htm
- Market Statement*:** To improve the quality and quantity of community-based programming for children, youth, and families in Montana.

There are "next >" buttons and a "save" button. A note at the bottom indicates "* Required Field". The footer includes the USDA logo and the text "USDA | eSITES".

- Project Title
- Website
- Market Statement

Staff

Edit or add as needed. You must enter a Project Director or Coordinator, Evaluator and Technology Specialist to complete this form.

Edit Staff Data

The screenshot shows a Microsoft Internet Explorer browser window displaying a web application titled "State Report: Staff". The address bar shows the URL: `http://72.29.23.35/ReportingApplication/stateproject/staff.aspx`. The page content includes a navigation menu on the left with "state" (selected), "Montana", "year", and "2007". The main content area is titled "Edit Contact Information for Sandra Bailey" and contains a form with the following fields:

- Honoric:
- First Name*:
- Middle Initial:
- Last Name*:
- Organization:
- Job Title:
- Address 1*:
- Address 2:
- Address 3:
- City*:
- State*:
- Zip*:
- Work Phone*: () Ext.
- FAX: ()
- e-mail*:

At the bottom of the form are "save" and "cancel" buttons, and a note: "* Required Field".

Use Add Staff as mentioned to add new staff

Each short term result from your logic model is listed. You will note that there is a link to view that portion of your logic model. Click on each result to respond to the six items.

Short-Term Results

The screenshot shows a Microsoft Internet Explorer browser window displaying a web application. The address bar shows the URL: `http://72.29.23.34/ReportingApplication/stateproject/stresults.aspx`. The page title is "State Project: Short Term Results".

On the left side, there is a sidebar with the following information:

- project title: Community Improvement Through Youth--The CITY Project
- status: Data Incomplete
- state: New York
- year: 2007
- [Having problems? We can help!](#)

The main content area is titled "short term results" and contains a table of results:

Result	Edit
1. Teens gain knowledge of civic governance	edit
2. Teens gain positive attitudes about their ability to create community improvement, and interest in continued civic engagement	edit
3. Community improvement projects are completed	edit
4. Partnering agencies and community collaborators report increased awareness about the value of YCA programs	edit

Below the table, there is a section titled "Answer each question about the bolded result above (all fields are required)."

1. How many participated in the evaluation?
2. Evaluation Type used:
3. When was it given or conducted?
4. Analysis
5. Findings
6. Implications

The Short Term Results form lists the results from your logic model. When you have responded to the six items for a result, a ✓ will appear next to the result.

Short-Term Results

The screenshot shows a web browser window with the URL <http://72.29.23.34/ReportingApplication/stateproject/lnaccomplish.aspx>. The page title is "CYFAR Children, Youth, and Families At Risk Program". The main content area is titled "Edit State Narrative Report" and has several tabs: "basic information", "staff", "accomplishments", "description", "st results", and "lt results". A blue arrow points to the "Logic Model" tab. Below the tabs, there is a sub-window titled "Logic Model for IL (project started in 2006)". The sub-window has a "Top" link and a table with five columns: "Identified Needs and Assets", "Desired Results", "Indicators", "Activities", and "Resources".

Identified Needs and Assets	Desired Results	Indicators	Activities	Resources
Needs The early years can be difficult for parents and wish they had more information and advice to help them with challenging developmental issues (Young, Davis & Schoen, 1996) Parents want specific information about what they can do to help their child, but time is a barrier to receive this information (Melmed,	Short Term 1. Parents/grandparents will increase knowledge of child development. 2. Parent/grandparents will increase their confidence and competence in functioning as a parent. 3. Parents/grandparents	Short Term 1. Score on Knowledge of Infant Development Inventory (KIDI) (McPHee, 1981, 1983) or KCDI 2. Score on Parental Sense of Competence Scale (PSOC) (Gibaud- Wallston, & Wandersman, 1978) 3. Score on a modified	1. • Identify distribution system for delivery of integrated newsletter. • Develop client data base and distribute age appropriate newsletters • Provide training to community coalition members and staff on utilizing the Parenting 24/7 website • Deliver educational programs utilizing the Your Young Child curriculum and the Parenting	1. • Author and developer of web site is Co-project director and will provide staff training, development and mentoring • Research-based newsletters and curriculums • Mobile computer labs available • Technology specialist available

You can click on the Logic Model tab to view your logic model.

Completing a Community Report

The screenshot shows the CYFAR web application interface. The header includes the CYFAR logo and the text "Children, Youth, and Families At Risk Program". Below the header, there is a "Reporting Year: 2007" section and a "Select a State:" dropdown menu set to "All". The main content area displays a table with the following columns: Location, Project Title, Report, Status, and Edit. The table lists various projects across different states, including Alabama, Macon County, Perry County, Wilcox County, and Alaska. Each row includes an "edit" button in the "Edit" column.

Location	Project Title	Report	Status	Edit
Alabama	Begin Education Early and Healthy: Strengthening Rural Alabama Families	State Narrative	Data Incomplete	edit
Macon County	New Communities BEE Project of Macon County	Community Narrative	Data Incomplete	edit
Macon County	New Communities BEE Project of Macon County	Community Demographic	Not Started	edit
Perry County	New Communities BEE Project of Perry County	Community Narrative	Not Started	edit
Perry County	New Communities BEE Project of Perry County	Community Demographic	Not Started	edit
Wilcox County	New Communities BEE Project of Wilcox County	Community Narrative	Not Started	edit
Wilcox County	New Communities BEE Project of Wilcox County	Community Demographic	Not Started	edit
Alaska	Community Collaboration for Children, Youth & Families of Alaska's Military Services	State Narrative	Data Incomplete	edit
Eielson AFB	Youth Collaboration Project	Community Narrative	Not Started	edit
Eielson AFB	Youth Collaboration Project	Community Demographic	Not Started	edit
Elmendorf Air Force Base	Community Collaboration for Children, Youth & Families of Alaska's Military Services	Community Narrative	Not Started	edit

The opening screen shows your state report section (if state POC) and the community narrative and community demographic report sections for each of your community sites.
